### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest the user of the pilot computer selecting pages that users at passenger computers can view where a selected page is dynamically rewritten during an interactive tour by a control site computer to deactivate/remove the page links to other URLs in the manner disclosed and claimed. This aspect of the invention which is further argued by Applicant in the response of 1/4/99 (Paper # 11) is seen to distinguish over the prior art of record in favor of patentability.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Primary Examiner Rinehart whose telephone number is (703) 305-4815. The examiner can normally be reached on Monday through Thursday from 8:00 AM - 5:30 PM. The examiner can also be reached on alternate Fridays.
